Commissioner for Patents

Applicants request for oral hearing before the Board of Appeals and the submitted Amendment After Appeal is acknowledged by the Examiner. The Amendment After Appeal has not been entered since the instant application is now under the jurisdiction of the Board. See MPEP § 1207, 5th paragraph, wherein it states that an amendment received after jurisdiction has passed to the Board should not be considered by the examiner unless remanded by the Board for such purpose. The application has been forwarded to the Board of Patent Appeals and Interferences for decision on the appeal.
